PRELIMINARY RESPONSE

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Please enter the following preliminary response for the above-identified continuation-in-part application, filed simultaneously herewith. The specification, claims, and drawings have been amended to more fully cover certain aspects of the invention.

Specifically, the specification, claims 1 and figures 2 and 6 have been amended to more fully cover the field-limiting slit originally disclosed in claim 1 of the
